## **Bottomfish**

### **Action Memorandum**

15 June 2000  
104<sup>th</sup> Council Meeting  
Makena, Hawaii

*Regarding Bottomfish, the Council acted to:*

- 1) Endorse the weighted point system criteria for new entry into the Mau Zone as developed by the Bottomfish Plan Team and Advisory Panel and endorsed by the Task Force. Council directed staff to prepare the framework amendment for final review and approval at the October 2000 Council meeting.

*Status: Draft document sent to Alvin and Marcia for input of impact section and RIR. Requesting bid from potential contractor(s) to evaluate and complete the final draft.*
