

MALESSO COMMUNITY-BASED MARINE MANAGEMENT PLAN

FF2(2)
159 CM

6:00 p.m. to 9:00 p.m.
March 20, 2014 (Thursday)
Hilton Guam Resort and Spa
Tumon Bay, Guam

In February 2012, Mayor Ernest Chargualaf hosted a community meeting to discuss fishery management issues, identify community needs and develop potential projects that could benefit the village of Malesso.

In March 2014, the village is launching its Community-Based Marine Management Plan, the first of its kind in the village history. Be part of the event and witness as the community proudly unveil their plan to manage the village marine resources.

CHECK US OUT, provide comments, learn more about fishery management. There are booths for information and prizes to give away. Refreshments are free.

This **FREE** public event is part of the 159th meeting of the **Western Pacific Fishery Management Council** being held March 17 to 21, 2014, at the Hilton Guam Resort and Spa, Tumon Bay, Guam
