

On August 28, 2015, the CIT issued its decision in *ATP*, in which it sustained the Remand Redetermination, finding that the Department's decision to use an alloy-carbon average as a surrogate for some of Chengde's billet inputs and reliance on Indonesian import data to value high carbon steel was supported by substantial evidence.⁷

Timken Notice

In its decision in *Timken*, 893 F.2d at 341, as clarified by *Diamond Sawblades*, the CAFC held that, pursuant to section 516A(e) of the Tariff Act of 1930, as amended ("the Act"), the Department must publish a notice of a court decision that is not "in harmony" with a Department determination and must suspend liquidation of entries pending a "conclusive" court decision. The CIT's August 28, 2015, judgment in this case constitutes a final decision of that court that is not in harmony with the Department's *AR 1 Final Results*. This notice is published in fulfillment of the publication requirements of *Timken*.

Amended Final Results

Because there is now a final court decision with respect to this case, the Department is amending the *AR 1 Final Results* with respect to Chengde's weighted-average dumping margin, effective September 7, 2015. The revised dumping margin is as follows:

Exporter	Percent margin
Jiangsu Chengde Steel Tube Share Co., Ltd..	137.62

The Department will continue the suspension of liquidation of the entries at issue pending expiration of the period of appeal or, if appealed, pending a final and conclusive court decision. In the event the CIT's ruling is not appealed or, if appealed, upheld by the CAFC, the Department will instruct U.S. Customs and Border Protection ("CBP") to liquidate entries of subject merchandise based on the revised assessment rates calculated by the Department.

Cash Deposit Requirements

Since the *AR1 Final Results*, the Department has not established a new cash deposit rate for Chengde. As a result, in accordance with section 751(a)(1) of the Act, the Department will instruct CBP to collect a cash deposit of 137.62 percent for entries of subject merchandise exported by Chengde, effective September 7, 2015.

⁷ See *ATP* at 11–21.

Notification to Interested Parties

Title I of TDA 2000 provides for duty- and quota-free treatment for certain textile and apparel articles imported from designated beneficiary sub-Saharan African countries.
