

We Don't Play With Our Food!!!

Non-Commercial Fisheries in Hawaii

Recreational Fishing, Subsistence Fishing, Expense Fishing, Weekend Warriors... no matter what you call it, we don't play with our food. We want to hear what you think about catch limits, fishing licenses, data collection and other issues. This Fishers Forum will also include a listening session to allow fishermen to weigh in on a proposed NOAA recreational fishing policy.

Enjoy informational booths, presentations, public discussion, door prizes and more!

National Saltwater Recreational Fishing Policy Listening Session

At the recent 2014 National Saltwater Recreational Fishing Summit, NOAA Fisheries committed to developing a formal NOAA policy on recreational fishing. The policy will be used to guide future NOAA actions regarding recreational fishing and to better engage the recreational fishing community. This is your chance to help shape the policy that will affect recreational fishing in Hawaii and across the United States.

*This **FREE** public event is part of the 160th meeting of the Western Pacific Regional Fishery Management Council being held June 24-26, 2014, at the Laniakea YWCA in Downtown Honolulu.*
