

The Western Pacific Regional Fishery Management Council invites you to attend this free, family friendly event ...

FISHERS FORUM Hawaii
Seafood Safety and Traceability

It is estimated that about one-third of seafood sold by retailers and restaurants in the United States is mislabeled, a problem that can have serious implications for public health.

- What is illegal, unreported and unregulated (IUU) fishing?
- How does it relate to you as a fishermen or consumer?
- More importantly, what is the solution?

Come talk story about seafood safety and traceability. Enjoy informational tables, presentations, public discussion, door prizes and more!

**June 17 (Wednesday)
6 to 9 p.m.**

**Harbor View Center,
1129 N. Nimitz Hwy.,
