

FROM BOAT TO WEB: Catch Reporting and Fishery Monitoring

The Western Pacific Regional Fishery Management Council invites you to attend this free, family friendly event ...

JOIN US AT THE FISHERS FORUM to learn how fishery scientists collect data from fishermen and how they are used to manage Hawaii's fisheries.

- State Bottomfish Reporting, Commercial Marine License and Hawaii Marine Recreational Fisheries Survey
- Federal Permits, Logbooks, Observer Program , Western Pacific Fisheries Information Network and Socioeconomic Monitoring
- and much more

June 21 (W) 6 to 9 p.m.
Dole Cannery,
Pomaikai Ballrooms,
735 Iwilei Road, Honolulu

Join the discussion and an opportunity to win door prizes, including a Penn International 80. Validated parking.

For more information, contact the Council at 522-8220; info.wpcouncil@noaa.gov or www.wpcouncil.org

*The Fishers Forum is part of the Council's 170th meeting
June 20 to 22, 2017, at the Laniakea YWCA, Fuller Hall, 1040
Richards St., Honolulu.
Public participation welcomed and encouraged!*
