Re: Advisory Panel Changes

The Advisory Panel has the following vacancies:
- American Samoa AP (2 vacancies)

At its 180th meeting, the Council directed staff to solicit for AP members for American Samoa. A solicitation was put out and staff and AP members spread the word regarding the positions and there have been no applications submitted.

The Council may choose to appoint two of the Am Samoa AP alternates from the alternate list to the Advisory Panel. The following are Am Samoa AP Alternates:

- Nonu Tuisamo
- Joseph Faaita

The appointment of the alternates would result in no alternates available for American Samoa AP but a full American Samoa AP.
