

# Fishermen Workshops

## On Annual Catch Limits (ACLs) and Marine Mammal Protection Act (MMPA)

*Are you aware of the catch limits for federal fisheries?  
Do you know how MMPA may affect you and your fishery?*

The Western Pacific Fishery Management Council will hold public workshops to inform fishermen about ACLs and MMPA. Come and learn how these federal issues relate to Hawaii fishermen, and what you can do to improve management.

The workshop will feature the following presentations & discussions:

- ❖ Overview of ACLs: What is it and how will it affect fishermen?
  - How can fishermen help to improve the process and data collection?
- ❖ Fishermen's Guide to MMPA: List of Fisheries, Stock Assessments, and Beyond
  - What can fishermen do to help improve information used under MMPA?
- ❖ Updates on Council Actions (EFH and HAPC)
