

# Hawaii LL Fishery 1994-2011

## Total Interactions (Shallow and Deep Set)

Actual Interactions in the swordfish fishery since reopening in 2004

Species	2004	2005	2006	2007	2008	2009	2010	2011
Loggerhead	1	12	17	15	0	3	7	12
Leatherback	1	8	2	5	2	9	8	16
Olive Ridley	0	0	0	1	2	0	0	0
Green	0	0	0	0	1	1	0	4

Note: Total interactions from 1994 to 2004 are estimates from available bycatch data recorded from a small portion of all trips. Data since 2004 combine estimated interactions from the deep-set fishery and actual interactions from the shallow-set fishery.
