- Come learn about historical and cultural uses of shark and the problem of shark depredation.
- Discuss federal management of sharks and the status of conflicting local and federal shark regulations.
- Hear about the latest shark assessments and the potential for sustainable shark fishing.

**Enjoy Informational Booths, Presentations, and Prizes!**

This Forum is part of the 159th meeting of the Western Pacific Regional Fishery Management Council, being held March 16-18, 2014, at the Fiesta Hotel and Spa, Garapan, CNMI and on March 20-21, 2014, at the Guam Hilton Hotel in Tumon, Guam. The Council was established by Congress in 1976 to manage fisheries in the exclusive economic zone waters surrounding the U.S. Pacific Islands.
