

State of Hawaii
Department of Land & Natural Resources
Enforcement Report
June to September 2015
To the 164th Council Meeting
American Samoa

On September 10, 2013, the Ocean Odyssey vessel grounded on a reef outside of McGregor Point, South Maui. At its meeting of June 12, 2015, the Board of Land and Natural Resources approved a proposed settlement with the vessel owners to pay a fine of \$7,000. The Department received the settlement amount during September 2015. The money will be used to install boat moorings in Maui waters.

Governor Ige approved emergency rules to prohibit the take of sea cucumbers on June 26, 2015. A Hawaii island man was cited during August 2015 for violation of this rule. The case is still pending.
