

# IS THE CNMI FISHERY RESOURCES REALLY OVERFISHED?

***The Western Pacific Regional Fishery Management Council invites you to attend this free, family friendly event***

6:00 p.m. to 9:00 p.m.  
June 6, 2016 (Monday)  
Fiesta Hotel and Spa  
Garapan, CNMI

How can we tell if the coral reef fisheries are healthy? Why are information conflicting in determining the status of the fish stock? What management tools can we use to keep fish on our dinner table?

CHECK US OUT, provide comments, learn more about the science used for fishery management. There are booths for information and prizes to give away.

*This **FREE** public event is part of the 166th meeting of the **Western Pacific Fishery Management Council** being held June 6 to 7, 2016, at the Fiesta Hotel and Spa, Garapan, CNMI and June 9 to 10, 2016, at the Hilton Guam Resort and Spa, Tumon Bay, Guam*
