

MOLOKAI FISHING COMMUNITY MEETING

Navigating Change & Building Climate-Resilient Fisheries

**Your Voice.
Your Ocean.
Your Future.**

Join the conversations as we continue our community consultations across Hawaii to discuss fisheries, access, and local food security. These meetings are opportunities for fishers, families, and the community to share perspectives on management, governance, and our fishing future.

Monday, December 1, 2025, 6:00 - 8:00 pm

Department of Hawaiian Home Lands, Moloka'i District Office

600 Mauna Loa Hwy, Ste. D-1, Kaunakakai, HI 96748

DISCUSSION THEMES

- Shark depredation & predator balance
- Ta'ape, invasives & fishery potential
- Limu restoration & nearshore health
- Cultural Take of Honu
- Community-based management & local stewardship

WHY ATTEND

- Strengthen fisher voices and build community leadership
- Identify solutions for local access and resilience
- Learn about traditional practices and modern fisheries challenges
- Contribute to shaping Hawaii's sustainable fishing future.

This is not just about fish - it's about our people, our governance, and our right to responsibly access the ocean that feeds us.
