About This Calendar

The names of the lunar months and moon phases, given in Chamorro, may vary due to the traditional Reliance on oral history transmitted through generations. The moon phases are for Hagåtña. Data to discern the first day of the lunar month are used with permission from HM Nautical Almanac Office, UKHO and the Keeper of Public Records, UK. The tide charts with moon rise and set times are in Chamorro Standard Time for Hagåtña and were provided by OceanFun Publishing, NZ.

For an electronic version of this calendar, go to [www.wpcouncil.org/educational-resources/lunar calendars](http://www.wpcouncil.org/educational-resources/lunar-calendars).

About the Council

The **Western Pacific Regional Fishery Management Council** is one of eight councils established by Congress in 1976. Under the Magnuson-Stevens Act (MSA), the Western Pacific Council has authority over fisheries in the Pacific Ocean Seaward of State/territorial waters of Hawai'i, American Samoa, Guam, the Commonwealth of the Northern Mariana Islands and eight U.S. Pacific Remote Island Areas.

There are many different reasons to get involved in fishery management, but they all involve being part of the process. Whether you are a weekend shoreline angler, a full-time commercial fisher, a part-time recreational or subsistence fisher, a non-fishing ocean lover or just love to eat seafood—your voice and opinions can be heard by the Council and become part of the decision-making process.

Becoming involved may mean attending a Council meeting, reading proposed fishery management amendments available on the Council's website or by contacting the Council office, making comments on a proposed action, or being on one of the Council's advisory groups.

FRONT COVER: Fishers enjoy a calm day casting from the rocky shoreline of Hagåtña Bay.
