

# OAHU FISHING COMMUNITY MEETING

## Navigating Change & Building Climate-Resilient Fisheries

**Your Voice.  
Your Ocean.  
Your Future.**

Join the conversations as we continue our community consultations across Hawaii to discuss fisheries, access, and local food security. These meetings are opportunities for fishers, families, and the community to share perspectives on management, governance, and our fishing future.

## Thursday, January 22, 2026

6:00 - 8:00 pm

**Waialua Elementary School Cafeteria  
67-020 Waialua Beach Rd, Waialua, HI 96791**

### DISCUSSION THEMES

- Pelagic & Bottomfish Fisheries Data & Trends
- Shark Depredation
- Fisheries access & infrastructure
- Managing rebounding Hawaiian green sea turtles
- Open floor for local community issues & concerns in fisheries.

### WHY ATTEND

- Strengthen fisher voices and build community leadership
- Identify solutions for local access and resilience
- Learn about Federal Fisheries
- Contribute to shaping Hawaii's sustainable fishing future.

*This is not just about fish - it's about our people, our governance, and our right to responsibly access the ocean that feeds us.*
